Notification to OPS of Hired 3rd Party Inspector

OPS Regulations* require Third Party Inspections to be performed for the scope of work performed under this permit. The Third Party Inspector indicated below has been hired by the Board to perform the required inspections.

Prior to commencement of construction on projects requiring third party inspections, the Board shall notify OPS of the designated third party inspector for the permitted project. The notification shall be made in writing using this form.

* See OPS website for specific regulations, oil.cdle.state.co.us, and for contact information if you have any questions.
