

Public School Construction Outreach

In accordance with Legislative changes the Public School Construction Program is moving from the Department of Labor and Employment, Division of Oil and Public Safety (OPS) to the Department of Public Safety, Division of Fire Safety (DFS). This move will take place by January 1, 2010.

On November 4, 2009 the Division of Fire Safety promulgated new rules (8 CCR 1507-30) that consolidate rules from the Division of Oil and Public Safety Public School Construction Program (7 CCR 1101-7) with the Division of Fire Safety rules (8 CCR 1507-30). These rules will be effective January 1, 2010.

To learn more about this merger and new regulations for Public School Construction please join Division Directors Mahesh Albuquerque (OPS) and Kevin Klein (DFS) along with Program Manager Joseph Montoya, and Mark Wassom PE on December 7, 2009 at Red Rocks Community College located at 13300 West Sixth Avenue, Lakewood, CO 80228.

We will be in the Community Room at 9:00 AM for School Districts and 1:00 PM for Certified Third Party Inspectors.
